THE AMAZING BUBBLE MAN

Will be performing at the Sheridan City Park on June 24th at
4:30 pm

program info

“Unlike a magician, who must maintain a distant mystique, the Amazing Bubble Man is able to create an immediate rapport with his young audience based upon a shared, enthusiastic love of bubbles. If his bubbles don’t get you, his witty asides will, and by the end of this forty-five minute show, your spirits will be soaring up with the helium-filled bubbles floating about the ceiling. Square bubbles, bubbles inside bubbles, fog-filled bubbles, cute three year olds inside bubbles, solar system bubbles, edible bubbles. Oh, for heaven’s sake, just go.”

-Edinburgh Festival by ThreeWeeks

MO PHILLIPS

Will be performing at the Sheridan City Park on June 24th at
4:30 pm

“What is Mo-Fi?”

A terribly unsophisticated way to have a great time

Mo Phillips is a teaching artist and a fun time maker in Portland, Oregon. He writes and records songs, makes odd ball videos, produces choose-your-own-adventure musicals, all in Mo-Fi. Mo-Fi is a way of making art centered on joy and exploration, primarily of inexpensive apps that do silly stuff.

When not teaching song writing in schools or shredding ukulele for the people, Mo is a dad.

That's his favorite job, the rest is just gravy. “
