Commented [1]: Joanna,
I had a few questions:
1: for the butter- is their a certin kind we should serve? We have not served it before.
2: just an FYI right now for the Mac & cheese the kids asked for chicken in it
3: on 4/21- do the beans count as a veggie for lunch? I know they can count as a MA.
Sorry I changed so much around for this week. Let me know if this looks good and I will get it translated.
